

Preschool Tuition Rate Chart (2017-18)

Full days include preschool and child care together in price.

BBC offers breakfast (7:30ish), lunch (12ish), and snacks each day. Full time is 4-5 days a week; Part time is 2-3 days a week.

Families needing 8AM/9AM to 5PM or 7AM to 3/4PM care still need to pay the extended care plus rate.

These rates are with the non-paid days off discount worked in, otherwise \$40 day full time/\$50 part time per day.

***Young Preschool** – children need to be advance for their age and ready for a preschool setting. BBC rarely enrolls a child under 3 years old. This is an enriched preschool program not daycare. All children enrolled needs good speaking skills, self-help skills, working on potty training or fully bathroom trained, can lay on a mat for nap/rest, child doesn't put everything in their mouth, doesn't try to leave the classroom/backyard, does not climb on things they shouldn't, does not hurt friends, no biting, does not throw or break toys, listens and participates in daily schedule...etc. If you feel your child is ready please email Ms. Jenni to talk about it.

School Age –school agers that do not nap/rest are responsible for bringing books to read plus homework/coloring/quiet work. The second hour they are allowed to play with an ipad/kindle fire from home or a quiet toy. If they can't be quiet they will be asked to rest. They need to be able to still follow all the BBC rules to be able to come back to BBC once going off to school. Children that can't will not be allowed to come back. Some children age out of the system at 11 and others can't come back after kindergarten.

Registration Fee - \$30.00 per child due when starting and in September each year thereafter.
Activity/Program Fee - \$25.00 per child due first day of each month (ie: music, storyteller ...classes) (Children using the drop in rate will pay \$5 per extra class up to \$25 per month, instead of the monthly fee.)
Homework Fee - \$5.00 per child per month. There is a \$5.00 credit to cancel this fee out if the monthly family homework from the month before is turned in on time.
Volunteering – each family donates one hour to the preschool per child each year. Or the family can donate a \$25 gift card in replace of that one hour.

**Accounts must be current for child to attend. All tuitions and fees are non-refundable once paid.
All clocked times will be based on upon time shown on BBC's living room clock.**
