

Big Box of Crayons Family Preschool

Transportation Safety Form

In operating BBC Preschool our first responsibility is to protect the health and safety of the children in my care. When parents drop off and pick up their children, Ms. Jenni wants to make sure their children are transported safely. When a parent transports children under the influence of alcohol or drugs or fails to use an appropriate car seat, it creates an unsafe transportation situation for the children. If, in Ms. Jenni's opinion, a child cannot be safely transported to or from my home, she will ask the parent not to transport the child and will propose the alternatives listed below. (If the parent refuses to agree to one of the alternatives and insists on transporting the child, Ms. Jenni will immediately call the police and report the unsafe driving situation.)

1) Ms. Jenni will call someone to pick up the child from the following list of people who are authorized to do so:

2) Ms. Jenni will call a cab to pick up the child and the parent. The parent will pay the cab fare.

3) If the parent has failed to bring an appropriate car seat for the child, Ms. Jenni will ask the parent to drive home without the child and return with an appropriate car seat installed in the car. BBC may charge a late pickup fee under these circumstances.
